And one of them, realizing he had been healed, returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked him.

Consecration Explained

What is Total Consecration to Jesus through Mary?
Total Consecration to Jesus is an absolutely beautiful exercise to increase your spirituality and ability to truly serve our Lord Jesus Christ. The basic premise set forth by St. Louis Marie de Montfort is simply that Jesus came into the world through Mary and that for us to always be assured of being close to Jesus, even closer than ever before, we should go through Mary. Initially, this idea may seem strange to some. Why consecration? And why consecration through Mary? What does that even mean? Consecration means to set aside for a sacred purpose. Mary’s life was set aside for the sole purpose of serving our Lord. By following her example, we, too, can completely give ourselves to Christ in a fundamental way that consecrates us to Him. We give our lives to Him in service and love.

This weekend, Fr. Hugh Gillespie will be consecrating our parish participants to Jesus through Mary at the 4:00 pm Mass. Congratulations to those who have been faithfully preparing yourself for the last 33 days.

This Weekend
St. Anastasia welcomes all participants who are visiting from all over our state for the Florida State Respect Life Conference.

‘In The Heart Of Our Mother’

Only with prayer - prayer that storms the heavens for justice and mercy, prayer that cleanses our hearts and souls - will the culture of death that surrounds us today be replaced with a culture of life.” —Pastoral Plan for Pro-Life Activities, U.S. Catholic Bishops

What to Do When a Friend is Considering Abortion

Read the full version at respectlifeprogram.org/l-o-v-e.

When a woman is facing a difficult pregnancy, the reaction of the first person she tells tends to set the tone for her decision-making. How do we respond in a loving way that is life-affirming for both her and her baby? First, prioritize listening over speaking. Ask about her feelings, thoughts, values, beliefs, and wants. When her story is fully shared, it is your turn to provide factual information, in a loving and caring way. Encourage her. Help her set goals that extend beyond her due date to help her see life beyond her pregnancy. Reassure her that she is not alone, and provide practical support. Pray with her, offering Christ’s love at a crucial life-saving and life-defining moment.

Thanksgiving to St. Francis

Let Us Pray:

Lord Jesus, when you were on earth, they brought the sick to you and you healed them all. Today I ask you to bless all those in sickness, in weakness and in pain.

As I ask your help for our brothers and sisters who are ill, I ask you to help us to be healing people in our time and place. May your love touch others through us, and may I help all people to live in peace. We ask this through Christ our Lord. Amen.

St. Anastasia Presents!
The Martyrs of la Florida
"Florida which has been bedewed in the East and in the West, in the North and in the South with the purest blood of the Martyrs!"
--Bishop Augustin Verot

There are 54 martyrdom events under investigation. Some events have one martyr and some have many. All were killed in the evangelization of the region of our nation's land known as la Florida. It is a seamless story that began in 1549 with the courageous landing of the Dominicans in Tampa Bay – and ended in 1761 in Pensacola as three Apalachee Indians were killed trying to protect the Eucharist.

Dr. Mary Soha has been invited to speak about these Martyrs at St. Anastasia on Wednesday, October 16, 2019 at 6:00pm in St. Jude Celebration Hall. She is a vice-postulator for the canonization of the Martyrs of LaFlorida, and has participated in the canonization process for Jacinta and Francesco, the children of Fatima. She believes the lives of the Martyrs of LaFlorida are one of the most profound defenses of the Real Presence of Jesus Christ in our country's history and is honored to be able to help share their stories.

For more information, please contact Denise Pressley in the parish office. RSVP is welcomed, but not necessary. We only ask for RSVP’s to ensure we have enough materials.

Today we hear about how Jesus, continuing on his journey to Jerusalem, heals 10 lepers. This story is a lesson about faith and reminds us that faith is sometimes found in unlikely places. Ten people afflicted with leprosy cry out to Jesus. Struck with pity, Jesus heals all 10. However, only one is described as glorifying God and returning to thank Jesus. The one who returns is a Samaritan, a foreigner. In the Jewish circles in which Jesus lived, Samaritans were looked down upon because of the differences between the two communities in their observance of Judaism. It is significant, therefore, that Jesus commends the Samaritan for his faith, which has been his salvation. Throughout Luke's Gospel, faith is found in surprising places. Another lesson for us in this Gospel has to do with salvation. All 10 of the lepers were given the gift of healing, but in his gratitude to God for this gift, the Samaritan found salvation. Our salvation is found in recognizing the gifts we have been given and knowing to whom we must offer our thanks.
