All you peoples, clap your hands; shout to God with joyful cries.
For the LORD, the Most High, is to be feared,
the great king over all the earth.

Essential Information About Our Return to Mass May 30-31

(Flocknote message sent May 20)

Dear Brothers and Sisters in Christ,

Introduction: I have missed you! Please know you have been in my thoughts and prayers every day during this very challenging time. Our long-awaited return to the public celebration of the Mass begins the weekend of May 30-31. I am grateful that we can begin to come together again after such a long time of quarantine. My hope is that you will find our Mass during a time of pandemic will be a reverent and powerful encounter with the Risen Christ in the Most Holy Eucharist. However, the Mass in this time of COVID-19 will feel very different and it will not be “going back to Mass” as we knew it. This letter will be long and will contain a lot of important information. Please read this closely.

Please be patient and flexible: Celebrating Public Mass during a time of pandemic is a daunting task. The following guidelines are based on Bishop Brennan’s guidelines (A link to the Bishop’s letter can be found [here](#).) As we experience our return to the public celebration of the Mass, I am sure we will have to adjust things as we go.

Simply because we are opening does not mean it is safe to return to Mass: We have been dispensed from our Sunday obligation through Labor Day of this year. We are in a pandemic caused by a novel virus that is highly contagious, can be transmitted by people who are asymptomatic, and for which there is no effective treatment or vaccine. Our public celebration of the Mass does not mean it is safe to come to Mass. Those who are “high risk” and who are “susceptible to COVID” are discouraged from attending Mass. Those “susceptible to COVID,” include those over the age of 70 or those who have serious health conditions. Those who exhibit symptoms related to COVID are asked to not come to Mass; symptoms include a cough of any kind or a fever. Though we wish that all could gather with us for the Eucharist, we cannot guarantee complete safety at this time. Please be prudent whether or not it makes sense for you and your family to attend. With all of the precautions we are going to take, we cannot guarantee that this is a safe place for you to be. I need you to practice personal responsibility.

Things will feel different at Mass: We are taking as many precautions as we can while continuing to celebrate the Mass according to our liturgical tradition. The following directions may get overwhelming. We are planning on having lots of greeters and ushers at every Mass, so, please read these directions closely but don’t get overwhelmed as the ushers will be there to assist you. The Holy Water fonts will be empty. (Holy Water will be available in the Narthex for those who wish to fill your own holy water bottles.) We will be asking everyone to follow the direction of the ushers...
for seating. Seating will be every other pew and staggered on each side. The Communion line will be single file in the middle of the aisle, and there will be no seating for six feet on the right and left of the Communion line. (Households will come up together in the Communion line, maintaining six-foot distancing from other households.) The outside seats of some of the pews will also be blocked off. There will be roughly a maximum of 250 people per Mass (the total number of people will depend on the size of the households that attend). There will be no hymnals in the pews and there will be no bulletins distributed at Mass. Households (1 or more people who live in the same house) will sit together and there will be one or two households per pew (keeping six feet apart within the pew) depending on the size of the households. Singing will be limited. The congregation will be wearing masks. There will be no collection, no bringing up the gifts, no sign of peace, and no distribution of the chalice. Baskets will be available to place envelopes in for those not giving electronically. The priest and Extraordinary Ministers will be wearing a mask when distributing Holy Communion. The bathrooms will be for emergency use only.

A New Sunday (and Saturday evening) Mass Schedule: Because of the need to clean the church in-between Masses, we must have a minimum of two hours between Mass times. The new Mass times will be: Saturday at 4:00 p.m. and 6:00 p.m., Sunday at 8:00 a.m., 10:00 a.m., 12:00 noon and 5:00 p.m. Starting on May 30, Confessions will be on Saturdays from 9:30-11:30 a.m. Daily Mass will be at 8:30 a.m. and 5:30 p.m.

What we are asking you to do:

1. Wear a mask: Those attending Mass are asked to wear a cloth face covering, unless they are under the age of two. We will not have face masks available at the church.
2. Practice strict hand hygiene: Wash and/or sanitize your hands before and after Mass. Please bring your own hand sanitizer. Please limit what you touch with your hands.
3. Give up your favorite seat: Seating will occur front to back and will be directed by our ushers to minimize contact with others. Please follow their directions for entering, seating, and leaving the church.
4. Keep six feet apart: Stay together as a family and maintain six feet separation from other individuals and families.
5. Refrain from using the bathroom: The bathrooms will be available for emergency use only. Children must be accompanied by an adult.
6. Remain in the section where you enter: Our church has three main seating sections. Plan on entering, remaining in, and exiting the same section of the church.
7. Don’t come to Mass if you are high risk, have any symptoms related to COVID-19, or have been exposed to COVID-19 within the last 2 weeks. Don’t come to Mass if the CDC guidelines suggest you should be staying at home.
8. **Remain silent before and after Mass both in the Church and in the Klinger Center:** We will not be able to maintain social distancing if people visit in the church. The “gathering space” is now called “the narthex”. When entering the narthex, please consider it a part of the church and continue moving into or out of the church. We will be blocking off the parking in front of the church to create a space for “distanced socializing”. When outside the church, please remain six feet from anyone not in your household and talk as long as you want! The circle in front of the church can also extend into the playground area of the school.

9. **Please give electronically:** While we will be offering collection baskets at Mass, we highly encourage our parishioners to give electronically. This is the safest way for everyone. If you are able and have not done so, please consider utilizing *WeShare* for electronic offertory donating. Simply text *stpaulohio* to the number 555888 to arrange a weekly, monthly or one-time donation or just go to [https://stpaulcatholicchurch.weshareonline.org/](https://stpaulcatholicchurch.weshareonline.org/). You can also mail your offertory envelope or check to St. Paul Catholic Parish, 313 N. State Street, Westerville Ohio 43082-8825. However please do not mail cash.

10. **Arrive between 15-30 Minutes Prior to Mass:** We will begin cleaning the church immediately after Mass to prepare for the next Mass. And, we will be seating in each section as we finish cleaning. Arriving sometime between 15 and 30 minutes prior to Mass will allow for the smoothest entry.

11. **Be prepared to walk around the church:** If a given section fills up, we will be closing access to the outside doors and will be asking parishioners to walk around the church to get into a section. All the more reason to come around the 30 minute mark prior to Mass.

**The new pattern for Communion:** People will come out for Communion one pew at a time, alternating between the pews on each side of the section, with the households in the pews maintaining six-foot distancing in the pews and in the Communion Line. There will be one single file Communion line in the middle of the aisle in each of the three transepts. Reception of Holy Communion on the hand is highly encouraged during this time of pandemic.

**What if there is no room in the church for me and my family?** We have no way of controlling how many people come to a given Mass. Once each section is filled, the church will be closed to any additional people. The overflow space will be the Klinger Center where we hope to be able to provide livestreaming of the Mass. And, people will be welcome to remain in their cars and follow the Mass on their phones. Holy Communion will be distributed in the Klinger Center after Mass for those in the overflow section or for those who were following the Mass in their cars. I anticipate that the 10:00 a.m. Sunday Mass will have the most pressure in terms of numbers.

**Daily Mass:** We will be having Daily Mass twice a day at 8:30 a.m. and 5:30 p.m., Monday through Friday, and 8:30 a.m. on Saturdays, **starting the week after May 30-31**. The requirement for households to maintain six-foot distancing will dramatically cut down the number
of seats in the church. Hopefully our Daily Mass celebrations opportunities will allow every family the chance to attend at least one Mass per week.

**Helpers needed!** We are in need of 20-25 people at every Mass to serve as greeters, ushers, and cleaners at the end of Mass. These roles will be essential for us to be able to gather in a safe and orderly way. If you are 18 or over, are not in a risk group, and are able to serve at a Mass each week, please email your name to Annette Ramos at aramos@stpacc.org.

**Come Holy Spirit!** Our return date to public Mass will be the great feast of Pentecost. It is the Holy Spirit who breathes life into our parish and who gives us the grace to be “Inspired by St. Paul, Centered on Christ, and Called to Holiness”. While we have been physically separated, I believe the Holy Spirit has worked powerfully in our midst to make become even more spiritually united. I have been overwhelmed by your continued participation in our livestreamed prayer, your continued financial giving to the parish, and your amazing concern for the poor in our various food and essential drives. The Holy Spirit is truly working in our parish community!

**In the Risen Christ,**

Reflecting on Today’s Gospel...

The Solemnity of the Ascension of the Lord (May 24, Cycle A)

First Reading: Acts 1:1-11
Second Reading: Ephesians 1:17-23
Gospel: Matthew 28:16-20

On this Seventh Sunday of Easter, most Catholics in the United States also celebrate the Solemnity of the Ascension of the Lord. Traditionally, Ascension Thursday occurred 40 days after Easter (May 21 this year); however, most dioceses in the U.S. have transferred this Holy Day of Obligation to the Sunday following it, which this year is today.

Matthew’s Gospel quickly moves from the disciples’ discovery of Jesus’ empty tomb, to Jesus’ appearance to Mary Magdalene and the other Mary, to the commission that Jesus gives his disciples in today’s Gospel: to go and make disciples of all nations.

The feast of the Ascension reminds us to “find God in all things.” Where in your day-to-day living have you been finding God during this pandemic?

How is God calling you to continue His work?

Preparing for Next Sunday...

Pentecost Sunday (May 31, Cycle A)

First Reading: Acts 2:1-11
Second Reading: 1 Corinthians 12:3b-7, 12-13
Gospel: John 20:19-23

Pentecost Sunday, which marks the end of the Easter season in the Christian calendar, celebrates the descent of the Holy Spirit on the Apostles. It is considered the birthday of the Church. Pentecost falls 50 days after Easter.

In the Gospel today we learn that the Lord “breathes” upon his disciples. The apostles, even though they have been gathered together in the upper room out of fear, are now given the power of the Holy Spirit, the life-giving heart of the Church. They are also to do what Jesus did: forgive sins, heal divisions, bring about reconciliation and joy to all.

At Pentecost the Spirit enabled the disciples to overcome all their fears. What has helped you to overcome your fears?

Free Online Resources to Help Prepare Your Family for Mass

In an effort to control the spread of Coronavirus, we will not have copies of the MagnifiKid! resources available in the narthex of the church, even after Mass resumes. However, they are available FREE online at www.magnifikid.com at which you will find a flipbook that is accessible on a laptop, smartphone, or tablet. Children can still follow along with Mass while watching the live-stream at St. Paul. And parents, the adult Magnificat is available FREE online to you as well! This is a great resource for daily prayer and Mass preparation.

Are your children missing Children Liturgy of the Word? Here is a great weekly online resource by Heidi Wiette at https://www.youtube.com/channel/UCfg9euOFfmsu-xX7S2tCcNA.

Parish News and Events

SCAM ALERT: Some parishioners have reported receiving personal text messages and emails sent from Fr. Wilson asking for financial assistance. (Example: “Hi Bill, this is Fr. Wilson...can you send me money for [some good cause mentioned]...?”) The scammers have not hacked our data, rather they are using your publicly known connection to the parish, your publicly known phone and/or email, and they are presuming that you would readily help your pastor. If you ever are in doubt about any communication from our parish, please contact the Parish Office at either (614) 882-2109 or stpaulchurch@stpacc.org.

We are continuing our parish outreach this Tuesday, May 26 with a sandwich drive for the St. Lawrence Haven. The Haven serves sack lunches to those in need every Monday through Friday – an average of more than 400-500 people each day. Can you help the Haven feed the hungry? Simple bologna and cheese sandwiches and cases of bottled water are most in need. The directions for making the sandwiches are simple. Place a slice of bologna on top of an individually wrapped piece of American cheese before putting the bologna and cheese on top of two pieces of white sandwich bread. The sandwich should then be put into a ziplocked sandwich baggie. By preparing the sandwiches this way (i.e. bologna, cheese, bread, bread!) the plastic wrapped cheese prevents the bologna from making the bread soggy. Your donations of sandwiches and water bottles can be brought to the outside area of the main entrance of the church from 9:00 – 11:00 a.m. this Tuesday morning. We will be practicing social distancing so please consider placing your donations in the trunk of your vehicle so our volunteers can easily get them from you. Thank you!

Young Professionals: Our Young Professional Ministry is intended for those age 19-39 with the goal of providing a Catholic community and a place for young adults to root friendships in Christ. Their next gathering will take place via Zoom on Wednesday, June 3 from 7:00-8:30 p.m. The guest speaker, Father Streitenberger, will lead a discussion on Evangelization. There will also be time for small group reflection and prayer. Please send an email to Brad Romantic for a Zoom meeting invitation and password: bromantic@stpacc.org

Scott Hahn Has Rescheduled His Visit to Our Parish!

We are very excited to report that Scott Hahn has rescheduled his visit that was originally slated for this past week and will be here in September! It is not too early to plan to join with others in the church on Wednesday, September 23 from 6:30 p.m. until 9:00 p.m. as together we explore how to live out the joy of the Gospel through the sacraments and everyday life.

To secure your tickets, please call 740-264-9535 or register online at https://stpaulcenter.com/Westerville/.
Earlier this month our Director of Youth Ministry, Brad Romantic, and parishioner and volunteer extraordinaire, Bill Tompos, orchestrated a special Mother’s Day collection for Birthright and Mommies Matter. Your donations of baby diapers, wipes, and misc. items were most appreciated by the many mothers and babies these ministries assist. Thank you again for your generosity in sharing God’s love by caring for others.

Below is a letter of appreciation from Monica Flynn, Executive Director of Mommies Matter.

Dear Father Wilson, Bill, Brad, and the entire St. Paul Parish,

I’m feeling so very blessed and extremely thankful - the outpouring support we’ve received from you all speaks volumes to the generous hearts of the St. Paul family.

The 4528 diapers and 17,400 baby wipes (yes...I actually counted them all!!) will be such a huge help to our mommies and babies – especially during this difficult time! No words can express my gratitude!

In Him,

Monica

Blessing of Graduates

Before you were even formed, God knew you. While in your Mother’s womb, God named you. At your birth, God’s breath filled you with life. Today we celebrate what you have become at this moment in time. And so we pray:

God of our beginnings,
We thank you for the gifts of these graduates;
their excitement, their awesome wonder and curiosity,
their open speech and encouraging words.
Their contributions have blessed and challenged us,
and we have become a richer and more diverse community because of them.

As they step forward into the world that awaits, comfort their fears with the full knowledge of your divine presence. Strengthen their resolve to walk in the footsteps of Jesus as modern-day disciples in a world that needs their spirit. Guide their feet as they move through life, protecting them from the pitfalls of darkness while they help to lead future generations into the warmth and promise of your light.

We ask this blessing upon each of them,
In the name of the Father, the Son, and the Holy Spirit.
AMEN.

Thank You From Our St. Vincent De Paul Society

Our St. Vincent de Paul Society was overwhelmed with the generosity of our parishioners for the collection last month. With these funds we will be able to assist many families in our community during this pandemic.

Over the past two months we have had only a few requests for rent and utilities. However, this is beginning to change. The utility companies are willing to work with the people, but some rental companies will file for eviction if the rent is not paid.

During this pandemic our SVDP volunteers are not able to make home visits, but they are making phone consultations. They talk at length with those who call requesting help to learn their most urgent need. Our volunteers strive to be good stewards of your contributions. For example, just this past week we were able to help a family of four with their rent. The husband and wife had both been laid off from their jobs, were getting food from WARM, had already filed for unemployment (which is running two weeks behind) and had received notification that their rent had to be paid by the 18th of the month or eviction proceedings would be filed. This is where your support helped to relieve the stress they were experiencing.

Again, thank you for your giving hearts making it possible to aid those in need! God bless you and stay safe! If you have any questions, please contact Jane Nieman at 614-794-9605.

Our sincere thanks to all who give to the parish offertory. Your continued giving is essential to our operations. May our Lord God bless you and yours!

Now is an especially good time to consider using WeShare, an online giving tool used to manage your parish offertory. WeShare is safe, easy and indeed convenient! You can make your donation from your cellphone simply by texting stpaulohio to 555888. Or go to https://stpaulcatholicchurch.weshareonline.org/ Should you have any questions about your offertory, please contact our Parish Accountant Loretta Nazario at lnazario@stpacc.org.
