Catholic Leadership Institute Survey

St. Mary Catholic Parish will be participating in a parish survey about discipleship conducted by the Catholic Leadership Institute, a non-profit Catholic apostolate that does leadership training and development. We need your help.

Please help us by participating in a 10-15 minute survey online. The survey can be accessed at www.disciplemakerindex.com from February 8th - March 1st. We will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parish’s efforts to help you grow. All responses will be confidential and the parish will only receive information about the community as whole.

Our parish will receive an aggregate report of the results. We will NOT have access to individual survey responses. This survey offers us a unique and important opportunity to learn about issues of importance to families in a confidential and professional way.

We will use these results to:

1) look at opportunities to support parishioner growth in discipleship
2) create goals and action plans to achieve that growth.

What this survey is NOT:

1) Information about individuals given to the parish
2) Information gathered to consider “closing” any parish

We are trying to get the highest response rate possible. Please respond as quickly as you can, please do not wait. We want to hear from as many people as possible. This information will be invaluable to Fr. Dan and our various ministries as we plan for the future and strive to be the best disciples we can be. We will receive the results this spring/summer at which time we will share what we have learned with the entire parish.

If you don’t use the computer - we will have paper copies on hand in the gathering space.

Also available on St. Mary Catholic Church Facebook page and website—stmarypinckney.org

Thank you for helping with this important project!
