I know that there is nothing better for people than to be happy and to do good while they live. That each of them may eat and drink, and find satisfaction in all their toil - this is the gift of God.

Family Perspective

By Bud Ozar

Family life well lived confirms the words of Jesus in today's gospel, "Those who humble themselves will be exalted." Commitment, intimacy, loyalty and love are the rewards of humble service and care for one another.

Eucharistic Adoration

Eucharistic Adoration is a wonderful gift we have, now with increased access in our Adoration chapel across Church St. Adoration hours are:
- Monday's, noon to 7:00 PM.
- Wednesday's, noon to 11:00 PM.
- Thursday's, 9:00 AM to noon.
- First Friday's of the Month, 10:00 AM to midnight.

When the tabernacle is open we are required to have at least two people present with Jesus. We also need a couple more parishioners willing to sub for regular adorers, when they occasionally have schedule conflicts.

If you would like more information; call or text Mike Cook at 517-242-1352. If you haven't experienced spending some quiet time in the real presence of Jesus in the Eucharist, stop in and be blessed.

Prayers of the Faithful

That generous giving means sharing with those who cannot repay us.

Stewardship Reflection

"Rather, when you hold a banquet, invite the poor, the crippled, the lame, the blind; blessed indeed will you be because of their inability to repay you." (Luke 14:13-14)

We have a difficult time with the concept of giving without expecting something in return. Even when we give to charity we often want something in return—a raffle ticket, a dinner, a chance to play golf or our name in print. Yet, as Christian stewards, we need to remember that the true reward for our giving awaits us in heaven.

St. Patrick Welcomes New School Counselor

Hello! My name is Jenny Garcia and I am the full-time school counselor at St. Patrick School. I am thrilled to continue working with my fellow educators, parents, and community members who are passionate about the education we provide to our students.

In college, I was unsure of my career path. I knew I wanted to do some sort of counseling but was not sure where I belonged. My interest in school counseling began during my assistance in a DK/Kindergarten class where I was assigned to tutor any students falling behind. I found myself working more to help the social/emotional needs of the students and quickly realized how much better students excelled academically when their social/emotional needs were met. This experience sparked my passion for thinking about the many aspects of students and how it can affect their development.

I earned my Bachelor of Arts in Human Development and Family Studies from Michigan State University during this time. After enjoying two years of being at home with my own children, I pursued my master’s to become a school counselor. My program was heavily rooted in ideals from the American School Counselor Association as well as the idea that as school counselors, we are educators with a specialty in school counseling.

My goal is to provide support and services to all students, catering to the individualized needs of each and every student. Certain services like classroom guidance lessons are provided to all students in an effort to prevent concerns or issues from occurring. Some students need more services like intervention, individual counseling, small group counseling, check-ins, mentor programs, referrals to professional counseling services, etc. I strive to reduce any issues or barriers that may prevent students from learning so that students can become their best selves and be successful within the school setting.

More specifically, each school level may receive different types of support. For our elementary students, the focus is primarily on social/emotional needs with beginning stages of learning about academic skills and careers. Middle school students will continue the fundamentals of career exploration and learning essential academic skills to prepare them for high school. They will also receive guidance on mental health, cyber safety, and social/emotional development.

Finally, high school students will receive support with a focus on college/career exploration, college applications, study skills, organization, credit recovery, graduation requirements, mental health, cyber safety, stress management, and much more. I am flexible with my services and am comfortable talking to students about a variety of topics.

It is important to note that my job cannot be done without the collaboration of our teachers, parents and school staff. We are a team and can work together to ensure all of our students’ well-being. My door is always open. Please let me know if you ever have any concerns about a student. I am available through email, phone calls, and in-person meetings. I look forward to this new school year together!

We Pray! We Learn! We Achieve!

St. Patrick, Portland, Michigan
Women deserve support and care, not abortion. At any time, each of us can support women in difficult or unexpected pregnancies by donating to our local pregnancy center or learning about foster care and adoption. You can also sign on the petition at the entrances of the church to ban the dismemberment abortion procedure, also known as Dilation and Evacuation. The procedure—which dismembers a living child in the womb—does nothing to help Michigan women.

This petition will be available to sign in church from August 24 through September 8. You must be 18 years of age and a registered voter to sign.

The language on the Petition reads: An initiative petition to amend section 90h of the Michigan Penal Code, 1931 PA 328, MCL 750.90h, to define “dismemberment abortion;” to prohibit a person from performing a dismemberment abortion unless necessary to save a pregnant woman whose life is endangered by a physical disorder, illness or injury; to authorize the legislature to intervene in a lawsuit challenging the constitutionality of this proposal; to allow the spouse of a woman or parent of a minor who obtained a dismemberment abortion to sue for damages; and to prescribe criminal penalties for an individual who knowingly performs an abortion in violation of the proposed initiated law. FALL FESTIVAL COMING SOON!

Remember to mark your calendars for the 59th Annual Fall Festival, which will be held on Sunday, October 13, 2019.

RAFFLE TICKETS:
All raffle ticket packets will be in the back of church next week. Be sure to pick your packet up and try, try, try to sell them all! The raffle is the biggest money-maker at the festival! Here are a few facts about the raffle: The Fall Festival Raffle normally generates about $18-$20,000.

If everyone picked up their tickets and sold the entire pack, it would generate $112,000!

Every pack sold MAKES A DIFFERENCE in the Shamrock sports budget!

Even if you are busy on October 13, you can still help by selling your tickets.

ARTS AND CRAFTS:
The Arts and Crafts show has always been a great way to celebrate the season as well as get a jump start on Christmas shopping. It has been a tradition for many of our crafters to be here and the event keeps drawing new crafters to the area. Interested in reserving a booth? There is an online application or you may print the application and send it to Darlene Miller. Be sure to also check Facebook for details and updates at Portland St. Pat’s Fall Fest Craft Show.

RACE:
Our half marathon and 5k race are being held again this year and seems to keep growing! With our beautiful river trails, it has grown to be a very popular race. Check out the Fall Fest website to print your registration or use the online registration.

VOLUNTEERS ARE NEEDED:
We’re already beginning to schedule workers for the festival. All athletes and all parents of athletes (Grades 5-12) are expected to work a shift. Call Mary Cook (517-927-1580) if you’d like first dibs on a time slot. If you have questions call Jill Scheurer (517-944-4725). Online Giving

St. Patrick Church is trying to keep up as technology continues to change. We offer an online giving process that we hope will streamline the contribution process and develop a habit of giving regularly as outlined in the Faithful Giving Program. One way of giving is through your traditional envelope giving, another is through scheduling a donation through Connect Now Giving. The link can be found on the St. Patrick Church website. Another way is through text messaging: From a cell phone, text a donation to 1-517-641-2226. You will answer a few questions and then your donation will be processed. If you have questions, please feel free to contact the parish office.
